

Small Business COVID-19 Resilience Checklist

Follow Face Mask Rules

Snap a picture of this QR code to learn about the **cheapest mask sold in bulk**.

Encourage Vaccination

Vaccines are currently the best way to protect employees. Visit [Vaccines.gov](https://www.vaccines.gov) or call **1-800-232-0233** to find **local vaccination sites**.

Create Safe Work Environments

Increase ventilation, hand hygiene, and disinfection. Visit [Restockit.com](https://www.restockit.com) for cheap cleaning products.

Make Breaks Safer

Limit number of employees in the breakroom and **enforce physical distancing** by reconfiguring breakroom. For more ideas on how to **improve the work environment**, snap a picture of this QR code.
